Product guide

HP Officejet 4630 e-All-in-One

Powerful productivity for your home office

February 2014

Compact, stylish, wireless e-All-in-One

The HP Officejet 4630 e-All-in-One series offers some unique features that help it stand apart from the crowd:

- Hands-free multipage faxing, scanning, and copying with the automatic document feeder
- Wireless printing from smartphones, tablets, and PCs from across the room or across town[1]
- Time and paper savings with automatic two-sided printing
- Borderless printing for lab-quality photos and laser-sharp documents
- Direct scanning to mobile devices with the HP All-in-One Remote app[2]
- News, coupons, tips, and more delivered directly to the e-All-in-One with HP Printables[3]
- Quick, simple setup right out of the box [4]
- Better value for frequent printing with Original HP high-capacity cartridges and Combo Packs[5]
- ENERGY STAR® qualified to save energy
- Easy, free cartridge recycling through HP Planet Partners[6]

Empower your busy household to accomplish so much more. Efficiently fax, scan, and copy multiple pages hands-free. Print wirelessly from smartphones, tablets, and PCs from across the room or on the go.[1] Automatic two-sided printing saves time and paper. This powerful e-All-in-One produces borderless, lab-quality photos and laser-sharp text for impressive work reports, school projects, and more.

Who can benefit?

This e-All-in-One is perfect for individuals and families who need:

- High-quality printing from all their computing devices—smartphones, tablets, and PCs—at home or out and about[1]
- Convenient, multipage faxing, scanning, and copying for home and work
- Easy wireless networking
- Low operating costs
- Space-saving design and features that can help reduce environmental impact

Power through tasks for work and home

Equip your home office to make quick work of a variety of tasks.

- Handle multipage fax, scan, and copy tasks hands-free. Load up to 35 pages in the automatic document feeder.
- Save time and cut your paper use by up to half by printing on both sides of the page, using automatic two-sided printing.
- Look more polished, no matter what you print. Borderless, lab-quality photos and laser-quality documents make work and school projects stand out.
- Set up quickly out of the box and connect to your wireless network automatically with HP Auto Wireless Connect.[4] The HP Printer Software is preloaded on HP PCs running Windows® 8, so you can start even faster.
- Make your e-All-in-One a daily stop for news, recipes, coupons, forms, and more with helpful HP Printables. Get free, premium information and activities from popular brands delivered right to your device.[3]

There's an HP Printable for everyone

Whether you're looking for family activities, entertainment, business trends, or travel tips, HP Printables are ready when you are. Find yours today by selecting "Printables" on the e-All-in-One's graphic display.

Manage your e-All-in-One remotely

The HP All-in-One Remote app puts control of the e-All-in-One in your hands.[4] Set up your e-All-in-One on a wireless network and access print and scan functions through Wi-Fi (Apple® iOS users also can access copy functions). Easily manage your e-All-in-One and scan right from your smartphone or tablet. Quickly send scans to email or cloud storage directly from your mobile device for easy sharing.[4] Remotely monitor and order supplies. The app is available for Apple and Android™ devices and can be downloaded for free from the Apple App Store and Google™ Play Store.

Print wirelessly from your smartphone, tablet, and PC[1]

Now it's easy to print from smartphones, tablets, and Internet-connected PCs.[1]

- Use Apple® AirPrint™ to print wirelessly from your iPad®, iPhone®, or iPod touch®.[7]
- HP's Slate 7 tablet and Samsung's Galaxy S®4 smartphone feature built-in print functionality for seamless mobile printing.[1]
- Print wirelessly from virtually anywhere with HP ePrint.[1] HP offers mobile printing solutions for a broad range of devices and operating systems. To learn which mobile solution is right for you, visit hp.com/go/mobileapps.
- This e-All-in-One is Google™ Cloud Print ready, with no need for print drivers or additional software; visit google.com/cloudprint/learn/setup-hp.html for details.[8]
- Walk up and print wirelessly from your smartphone, tablet, or Internet-connected PC—even without connecting to a wireless network, using HP wireless direct.[9]
- Built-in Wi-Fi lets you print from virtually anywhere in your home, and share this e-All-in-One with wireless-enabled PCs and notebooks on your local wireless network.[10]

Save with low-cost printing

- Step up to a better value for frequent printing. Print more pages for less with Original HP high-capacity cartridges and Combo Packs.[5]
- Conserve resources without sacrificing performance. This ENERGY STAR qualified e-All-in-One meets strict energy efficiency guidelines.
- Reduce your environmental impact. Count on easy, free cartridge recycling through HP Planet Partners.[6]

Product walk around

Product specifications

Product number	B4L03B
Print speed[11]	ISO: Up to 8.8 ppm black, up to 5.2 ppm colour Draft: Up to 21 ppm black, up to 17 ppm colour
Print resolution	Black (best): Up to 1200 x 600 rendered dpi (when printing from a computer) Colour (best): Up to 4800 x 1200 optimised dpi colour (when printing from a computer on selected HP photo papers and 1200 input dpi)

Notes

[1] Local printing requires mobile device and printer to be on the same network or have a direct wireless connection to printer. Wireless performance is dependent upon physical environment and distance from access point. Wireless operations are compatible with 2.4 GHz operations only. Remote printing requires an internet connection to an HP web-connected printer. App or software and HP ePrint account registration may also be required. Wireless broadband use requires separately purchased service contract for mobile devices. Check with service provider for coverage and availability in your area. See hp.com/go/mobileprinting for more details.

[2] Requires separate download of HP All-in-One Remote app to your smartphone or tablet. Mobile device requires wireless access point and Internet connection. Features controlled by the app may vary by mobile device operating system. Scan/copy control requires mobile device and printer be on the same wireless network or through a wireless direct connection to printer. For more details, see hp.com/go/mobileapps.

[3] Requires a wireless access point and an Internet connection to the printer. Services require registration. Availability varies by country, language, and agreements, and may require a firmware upgrade. HP Printables may not be available on all printer models, and not all apps can be set up for automatic delivery. For details, see hpconnected.com.

[4] HP Auto Wireless Connect may not be available for all system configurations. Wireless performance is dependent on physical environment and distance from access point. Wireless operations are compatible with 2.4 GHz routers only. For information on compatibility, visit hp.com/go/wirelessprinting.

[5] Less cost-per-page comparison based on estimated street price of standard capacity Original HP 301 Ink Cartridges. Actual prices may vary.

[6] Program availability varies. Original HP cartridge return and recycling is currently available in more than 48 countries, territories, and regions in Asia, Europe, and North and South America through the HP Planet Partners program. For more information, visit hp.com/recycle.

[7] Supports OS X® Lion, OS X Mountain Lion and the following devices running iOS 4.2 or later: iPad® (all models), iPhone® (3GS or later) and iPod touch® (3rd generation or later). Works with HP's AirPrint-enabled printers and requires the printer be connected to the same network as your OS X or iOS device. Wireless performance is dependent upon physical environment and distance from the access point. OS X, iPad, iPhone, and iPod touch are trademarks of Apple® Inc., registered in the U.S. and other countries. AirPrint and the AirPrint logo are trademarks of Apple Inc.

[8] Google™ and Gmail are trademarks of Google Inc.; feature requires Google Cloud Print Ready printer or existing printer connected to a PC with Internet access. Print times may vary. Currently only Google apps are supported.

[9] Mobile device must be wireless-enabled. Wireless performance is dependent on physical environment and distance from access point. Feature may require driver or apps. For more details, see hp.com/go/wirelessprinting.

[10] Wireless performance is dependent on physical environment and distance from access point. Wireless operations are compatible with 2.4 GHz routers only.

[11] Either after first page or after first set of ISO test pages. For details see hp.com/go/printerclaims.

[12] Based on standard ITU-T test image #1 at standard resolution. More complicated pages or higher resolution will take longer and use more memory.

[13] Power requirements are based on the country/region where the printer is sold. Do not convert operating voltages. This will damage the printer and void the product warranty.

[14] Approximate yield. Actual yield depends on printer and specific use. See hp.com/go/pageyield for more information.
